pre-semester preparatory course in Hamburg

You have earned your high school diploma abroad, are now eligible to enroll at German universities and want to study successfully in Germany?

The pre-semester preparatory course is the perfect preparation for your studies in Germany – and almost free of charge!

Key benefits:

- ✓ Succeed at German universities and develop your German, academic and methodological skills.
- ✓ Fill any gaps in your knowledge to bring you up to a similar level with high school graduates from Germany.
- ✓ Enjoy the same benefits as students: use of the dining halls and libraries, the universities' sports and counseling services, and public transportation. In addition, you are eligible to apply for a room at state student residences and you can borrow all the learning materials for the course, free of charge.
- ✓ The study preparation you will gain on this course is held in high esteem by our partner universities.
